**Drop or Add**

Drop or add a course during the first three days of the semester by contacting the Registrar's Office at 229-333-5727.

**Withdrawal**

After the first three days of the term, if you decide that you wish to withdraw from your class, you must complete the Course Intent to Withdraw form, <http://webct.usg.edu/eCore/withdraw/>. Please review the withdrawal policies at your institution prior to submitting this form. This form notifies the registrar at your affiliate institution of your withdrawal. *If you stop participating in your course without submitting the proper withdrawal form, you may receive an "F" for the course.*

**Proctored Examinations**

Each eCore<sup>□</sup> course will have a minimum of one, and as many as three proctored examinations. You schedule your proctored exams at a test site of your choice. The date of the test and address of the test site must be reported to the eCore<sup>□</sup> Testing Coordinator at least 15 business days prior to the date of your exam. Failure to allow a 15 business day notification may result in charges for overnight fees. If you have questions, please contact the testing coordinator at 1-866-248-5179, [testing.coordinator@gactr.uga.edu](mailto:testing.coordinator@gactr.uga.edu).

## Checklist prior to first day of class

— **A wealth of information on the various aspects of eCore® is available to you in the *Student Guide to eCore® course* into which you are automatically placed.** When you log in to verify that your ID and password work, you will have the option to begin this course. You should do so as soon as possible as many of the WebCT skills you need to be successful are explained.

— **Review the information included in the course expectations and technical requirements.** Go to <http://www.alt.usg.edu/ecore/computer.html>.

— **Make sure your web browser (Internet Explorer or Netscape) is set up properly so that you will be able to access your course.**

Prior to logging in the first time, we recommend that you visit the web browser tune-up page. The browser tune-up will ensure that you are using a supported web browser and it includes step-by-step instructions to make sure your web browser settings are optimized, <http://www.webct.com/browser>.

Students using the AOL web browser sometimes experience technical problems, please read the "AOL USERS READ THIS". It is strongly advised that you use Internet Explorer or Netscape as your web browser for these classes.

Students enrolled in mathematics courses will need to install the Math Viewer Plug-in. This plug-in is necessary for you to view the equations in the courses. Download the "WebEQ Browser Controls" from, <http://www.dessci.com/en/products/webeq/webeq.asp>.

— **Buy your textbooks and other course materials.** The required textbooks for all eCore<sup>□</sup> classes are listed on the MBS Direct web site, <http://direct.mbsbooks.com/ecore.htm>. You may order your books online or by telephone by calling 800-325-3252. You may purchase your books at any bookstore.

— **Notify us of e-mail address.** If you do not receive this letter via email or if your contact information changes at any point during the term, please let us know by filling out the following form, <http://www.alt.usg.edu/ecore/changecontact.html>.
