

Tutoring Usage

SMARTHINKING is a student-centric service that supplements on-campus courses and academic support systems.

- The SMARTHINKING online tutoring service is designed for students who are taking core academic courses.
- Online learning assistance is available from tutors in mathematics, statistics, Spanish, chemistry, physics, and writing for all subjects.
- During Summer Semester 2009, there were 176 tutoring sessions made by eCore students via Smarthinking.com. Total usage = 99 hours: 46 minutes.
- Beginning FY 2010, eCore tracked the SMARTHINKING usage each semester. There were 959 tutoring sessions made by eCore students via Smarthinking.com with over 439 hours of total usage. Students made the most use of the math related tutoring services with close to 600 visits to sessions.
