

Faculty Information

Faculty Who Revised & Taught Courses

Revision

Although no courses were developed during FY 2011, four courses were revised extensively. Content experts consisting of seven different eCore instructors and two additional outside consultants were instrumental in this process. Each had specialized knowledge and professional degrees in their respective subject matter.

eCore Course Revisions FY11
ISCI 1121 – Integrated Science I
PSYC1101 – Introduction to General Psychology
PHIL1001 – Introduction to Philosophy
GEOL1011K – Introductory Geosciences I

Instruction

During fiscal year 2011, 79 faculty members from 23 accredited University System of Georgia colleges and

universities (see map above) taught eCore courses. Faculty delivered instruction to students channeled through five different affiliate institutions. BlackBoard Vista 8 (GeorgiaView Vista) serves as the platform for online teaching.

The following table outlines the number of course sections that faculty members taught in FY 2011. Twenty-six faculty members taught three eCore course sections during FY 2011.

Number of FY 2011 Sections Taught by eCore Faculty	
Number of eCore Faculty	Sections Taught
23	1
17	2
26	3
9	4
4	5
