Proctored Online Exams for eCore Courses

In an effort to heighten security and reduce costs, eCore has moved away from paper-based exams. Instead, eCore encourages instructors to use GeorgiaView Vista 8 for their exams. As of Summer 2009, eCore faculty generally uses proctored online tests for midterms and/or finals to assess a student's progress in the course. Proctored testing provides a method for instructors who want to test their online learning students in a secure environment. Students in online courses must fulfill their responsibilities in arranging and taking a proctored exam.

Approved eCore Testing Sites and Proctors

A student may request a testing center to be added to the list of approved eCore testing sites and proctors. Only public testing centers (at institutions of higher learning) with adequate access to Vista are able to proctor exams. The eCore Testing Coordinator carefully screens each requested testing center.

Each proctor from an approved testing site must have the ability to use the following:

- A valid and working e-mail address
- Internet access for students taking online exams delivered via GeorgiaView Vista 8.

eCore Affiliate Testing Centers:

- Abraham Baldwin Agricultural College
- Clayton State University
- Dalton State University (Dalton & Gilmer Campus)
- Fort Valley State University
- Macon State College (Macon & Warner Robins Campus)
- Southern Polytechnic State University
- University of West Georgia (Carrollton & Newnan Campus)
- Valdosta State University
