Faculty Who Revised & Taught Courses

Revision

Although no new courses were developed during FY 2012, eight courses were revised extensively. Content experts consisting of nineteen eCore instructors were instrumental in this process. Each had specialized knowledge and professional degrees in their respective subject matter.

eCore Course Revisions FY 12
CHEM1211K - Principles of Chemistry I
CHEM1212K - Principles of Chemistry II
SPAN2001 - Intermediate Spanish I
SPAN2002 - Intermediate Spanish II
GEOL1011K - Introductory Geosciences I
HIST1111 - World History I
HIST2111 - U.S. History I
ENGL2111 - World Literature I

Instruction

During fiscal year 2012, 124 faculty members from 24 accredited University System of Georgia colleges and universities (see the map above) taught eCore courses. Faculty delivered instruction to students channeled through eight different affiliate institutions.

Number of FY 2012 Sections Taught by eCore Faculty
