

Transient Students

The following chart represents the number of unduplicated transient students by term for fiscal year 2014 as reported by eCore affiliates.

DID YOU KNOW?

- The majority of eCore transient students come from the University of Georgia.
- Henry county is the top county for Joint/Dual students (16), followed by Coweta and Fayette (23), and then Carroll and Monroe (18). Fifty-eight more students come from other Georgia counties and beyond.
