

eCore: The 2014-2015 Affiliate Partnerships

By Spring 2015, eCore courses were offered for credit by fourteen USG institutions (Abraham Baldwin Agricultural College, Albany State University, Clayton State University, College of Coastal Georgia, Dalton State College, Darton State College, Fort Valley State University, Georgia Highlands College, Middle Georgia State College, Savannah State University, Southern Polytechnic State University, University of North Georgia, University of West Georgia, and Valdosta State University) referred to as eCore affiliates.

- Affiliates are identified through a self-nomination process.
- Each institution conducts a careful analysis of participation criteria, including institutional academic review of eCore courses.
- Affiliate VPAs sign letters of commitment documenting faculty endorsement of eCore, including their willingness to support students and accept eCore as a parallel core curriculum on their campus.
- Affiliate institutions admit and enroll students, maintain student records, provide financial aid, and provide services, such as advising, to eCore students, as appropriate, beyond those provided centrally.
