

Special Populations Historical

The following chart represents the number of Joint/Dual, Military, and Transient students unduplicated by term for FY 2011 - 2015 as reported by eCore affiliates. *Prior to FY 2014, military numbers were reported as a duplicated headcount based on the enrollment of military students.

DID YOU KNOW?

- The majority of eCore transient students come from the University of Georgia
- Carroll county is the top county for Joint/Dual students (85), followed by Coweta (36), Henry (25), and Forsyth (18)
- 123 more Joint/Dual students came from other Georgia counties and beyond
