

- Campus – eCore:

Student took the prerequisite course on campus (face-to-face or online) and subsequent course in eCore.

- Campus – Campus:

Student took both prerequisite and subsequent courses on campus (face-to-face or online).

For course preparation studies, the combinations of eCore – eCore, eCore – Campus, Campus – eCore, and Campus – Campus deliveries were compared for these course sequences.

The following data view is provided by USG. This data includes students who were identified to have taken the 2-course sequence courses within the FY 2016 terms: Summer 2015, Fall 2015, and Spring 2016. Data is reported if greater than nine students were in the grouping.
